**Agenda Overview**

**Welcome Message from our President**

- rpk Consulting, Academic Portfolio review; process is beginning over the summer; forum will be scheduled for the fall; Alexander will send an email with more details; please talk to your program director/advisor

**Guest Speaker:** Todd Sutton, *Associate Vice Chancellor for Learning Technology and Customer Success*

- Moving April 21 for faculty and staff; has started moving mail and calendar; is going smoothly so far
- June 30 is student migration
- Watch for email on the day of migration giving more detail about where to access email/calendar
- File storage will come later
- Zoom will remain until Dec. 31
- Are students responsible for anything? Everything will be moved, but if you want to clean-up your file storage, now is the time to do so
- Wanting to close Box completely; goal is to get Google down to 100T threshold to get to a free tier.
- Migration will be disruptive but not destructive
- <https://technologyinitiatives.uncg.edu/> to submit questions

**Guest Speaker:** Murphie Chappell, *Title IX Coordinator and Assistant General Counsel*

- Eliminate sexual harassment, remedy the environment, and prevent from happening again
- If someone comes to you about sexual assault, you can report it to Title IX
- Help teach undergrad students about what sexual assault/harassment means, especially social media's role in that
- Most UNCG employees and students are not required to report, but are encouraged to
- New ruling from the DOE is to come out in May which could alter some of these requirements/rules

- Email info: [mechappe@uncg.edu](mailto:mechappe@uncg.edu)

**Saying goodbye to the current and welcoming the next Executive Board**

**Meeting Adjourns**
